

Credit Card Terms & Conditions

This directory contains Terms & Conditions documents for credit cards, which are used by the RAG (Retrieval Augmented Generation) system to answer questions about card benefits, rewards, terms, etc.

Directory Structure

- **pdf/**: Contains PDF versions of T&C documents
- **txt/**: Contains plain text versions of T&C documents (optional)

Adding New Documents

To add new credit card T&C documents:

1. Place PDF files in the **pdf/** directory
2. Name files descriptively, e.g., **dbs-altitude-visa-tncs.pdf** or **ocbc-365-credit-card-tncs.pdf**
3. The system will automatically process these files when the application starts

Naming Convention

For optimal performance, please name your files using the following format: **[bank-name]-[card-name]-tncs.pdf**

Examples:

- **dbs-altitude-visa-tncs.pdf**
- **ocbc-365-tncs.pdf**
- **uob-one-card-tncs.pdf**

This helps the system correctly identify which card the T&Cs belong to when providing answers.
